

CALL FOR APPLICATIONS

FOR MASTER IN FINTECH (FINANCIAL TECHNOLOGY)

International Francophone Institute (IFI) is currently recruiting applicants for an international Master program in **Banking, Finance and Financial Technology (FINTECH)** taught in English. The degree is issued by EM Normandie Business School (EM Normandy, France).

GENERAL INFORMATION

The program provides learners with: (1) in-depth knowledge of banking and finance; (2) skills in applying Fintech tools in the banking and finance sectors; and (3) the knowledge, skills, and spirit of entrepreneurship. The program aims to train high-quality human resources in the fields of banking, finance, Fintech, and related fields in the era of Industrial Revolution 4.0.

The program is recognized by the Ministry of Education and Training, France and accredited by reputable international educational accreditation organizations such as AACSB Accreditation, EQUIS Accreditation, and EPAS Accreditation. This is one of a few Fintech pioneering programs in Europe. The program is taught simultaneously in IFI and the Oxford campus of [EM Normandie, UK](#).

STRONG POINTS

This is the program

- + European standards, global recognition;
- + 1st program in Vietnam and 2nd in Southeast Asia;
- + 50% of the program is taught by highly qualified professors from France and UK with work experience in London — Fintech Capital of Europe;
- + Attractive career opportunities in the banking and finance industry in the age of digital transformation;
- + Student exchange opportunities and internships in France, UK.
- + Scholarship opportunities for excellent students.

PROGRAMME

75 European ECTS credits, with 9 knowledge blocks, internship course and thesis (*For detailed program, see Appendix 1*).

Normandy Management University (Ecole de Management Normandie) is a private university, which belongs to the major school system (Grande Ecole) of France established in 1871. EM Normandie is one of the longest-standing universities in France, with campuses spanning a variety of European countries (including Caen, Le Havre, Paris (France); Dublin (Ireland); Oxford (UK). With its efforts aimed at quality assurance and continuous improvement, in 2015, EM Normandie was selected to appear at 69th in the ranking of the Financial Times of the best masters in management in the world.

International Francophone Institute (IFI) was established by the merger of Institut de la Francophonie pour l'Informatique, created in 1993, and Pôle Universitaire Français à Hanoi, founded in 2006 with experiences in teaching international programs from Bachelor to Doctorate in Business Administration and Finance – Banking. As a member of Vietnam National University, Hanoi, IFI has become an interdisciplinary training and research organization with the highest internationalization in Vietnam with over 25 years of history.
